---

### Manuscript Structure

- Title of the Paper**  
(16 pt, bold, centered)
- Author Name(s)**  
(12 pt, centered. Include affiliation and email in a footnote)
- Abstract**
  - Maximum **200 words**
  - Summarize objectives, methods, key findings, and implications
  - No citations or figures in abstract
- Keywords**
  - At least 3 keywords and maximum 7 keywords, separated by commas
- Main Body**

Use the following structured headings:

  - 1. Introduction**  
Background of the study, statement of problem, and purpose(s) of study, research questions, significance of the study, research hypothesis (*if applicable*).
  - 2. Literature Review**  
Review recent and relevant concepts and theories with previous studies which were within the last 10 years.

### 3. Methodology

Describe research design, participants, instruments, data collection, and data analysis.

### 4. Findings

Present results systematically.

### 5. Discussion, Conclusion and Recommendations

Summarize key findings and interpret them in relation to previous research. The implications should be proposed and future directions should be recommended.

### 6. References

- Use **APA 7th Edition** citation style
- Include **only sources published within the last 10 years**
- Format examples:
  - Journal:

Smith, J. A. (2020). Title of article. *Journal Name*, 12(3), 45–59. <https://doi.org/xxxx>

- Book:

Brown, L. (2016). *Title of the book*. Publisher.

- Website:

World Health Organization. (2022). *Title of the report*. <https://www.who.int/xxxx>

### Academic or Research Articles Submission Instructions

- Submit the full manuscript in the form of Microsoft Word (.doc or .docx) format via e-mail to: [journal@psbu.edu.kh](mailto:journal@psbu.edu.kh)
- File name format: LastName\_FirstName\_PSBU.docx
- The submitted article must not have been published in any other journal nor is being considered by exerts for publication in other journals.
- All manuscripts will undergo peer review by 3 experts in relevant fields for quality and relevance.
- The results of the selection of articles for publication in the conference proceedings are subject to the editor's resolution as final.
- For the articles that are not considered for publication, the editorial team will inform the author, but the manuscript will not be returned to the author.
